Call for Chairperson and Secretary Nominations

On behalf of NASPO International, I am announcing to all members that we are now accepting nominations for the NASPO Chairperson and Secretary positions. The nomination period will close Thursday, April 20, 2023.

Following closing of nominations, the Secretary will confirm acceptance with the member(s) nominated. Once the slate of nominees has been established, a “candidate statement” along with an email ballot will be issued by May 1, 2023. The deadline for voting will be June 1, 2023.

If you would like to nominate yourself, or if there is a member that you would like to nominate that would be interested and qualified for the position of NASPO Chairperson or Secretary, please submit your nomination in writing to the NASPO Secretary, Jim Trego at jtrego@tregointsys.com.

The newly elected Chairperson and Secretary will serve for the term ending July, 2025.

There will be one vote allowed for each member company in good standing.

Election results will be announced at the June 2023 NASPO meeting.
